Dear Sir or Madam,

I am writing in response to your announcement for the help in your music store.

I'm fourteen years old and a student at Alain Comprehensive School. I'd like to help you because I like your store and being in contact with customers. It will be a good experience for me because I am a bit shy. I am punctual and well organised. I can work on Saturday nights , at weekends and I'm ready to work

very very very hard.

Thank you for your time and attention,

Sincerely,
Grégoire
