

**Kévin:** Er ... Mum, I wanna talk to you. One minute, please?

**Noémie:** I'm listening, honey.

**Kévin:** I'm 14 and I haven't got any pocket money, so I need to ask you for some and ...

**Noémie:** Really?

**Noémie:** But it's a problem for me! I don't like that Could you give me 30 pounds a month?

**Noémie:** Are you kidding me?

**Kévin:** It's so unfair because John has pocket money!

**Noémie:** But he's 18!

**Kévin:** Mum! Having some pocket money will help me to become more responsible and mature.

**Noémie:** I'm sick of you!

**Kévin:** Do you really mean it?

**Noémie:** Definitely!

**Kévin:** Come on!

**Noémie:** No, that's final!

**Kévin:** You're such a pain!
