

Théo: Mum, Dad, can I speak to you for one second?

Soufiane: What?

Théo: Why don't I have any pocket money? I would like to to get some pocket money because all my friends have pocket money.

Nicolas: We have already paid you video games and a moped. Why do you want more?

Théo: But I only want five pounds a week. It's not that expensive!

Soufiane: No! It's too expensive!

Nicolas: Yes, and when you want something, you ask us!

Théo: And ... what if did the housework every weekend? The pocket money would be my wage?

Soufiane: It's not a bad idea! What do you think about that?

Nicolas (laughing): You win Théo, it's okay.

Théo: Thanks, Mum, Dad, you're the best parents in the world!
