

A scene from THE BLACK BEACH , 2012

Yesterday, I went to a beautiful beach with and my best and most beautiful friend, Sally, We were joyfully playing football. Suddenly, a huge wave appeared in the black sea. She screamed to me that we had to run as quickly as possible. We went to a big scary manor house. Then a tall freakish man arrived . We were petrified. He opened his mouth. We were stunned, and he asked us if we wanted a cup of tea. We were confused and we said yes .
