

# Scarlett Johansson

I'm a great fan of Scarlett Johansson. She is currently the most compelling actress in the world. She was born on 22nd November 1984 and she grew up in New York City.

When she starred in "The Horse Whisperer" in 1998, she was only 14 and she had already played in 5 films.

In 2003, she acted in "Girl with a Pearl Earring" and "Lost in Translation". She won 2 Golden Globe nominations for Best Actress. Two years later, she turned into a world star because she played in "Match Point".

You know the rest: most of her films are hugely successful blockbusters - "Scoop 3" (2006) - "The Spirit" (2008) - Iron Man 2 (2010).

She is definitely the greatest, the most talented actress I've ever seen.
