

I am a great fan of Matt Damon !  
He was born in Cambridge, Massachusetts, on  
October 8th 1970. A star was born !  
He played in 5 movies from 1988 to 1996. After that,  
ha had already acted in Good Will Hunting when he  
got nominated for best actor ! And he won an  
**Academy Award** for Best Screenplay with Ben Affleck.  
Matt starred with the brother of Ben - Casey- in  
Ocean's Eleven in 2001.

Not many people know it, but, from 1999 to 2004, Sir  
Damon released The Talented Mr Ripley, and Ocean's  
Eleven !

He's the greatest actor in the world!  
And in the years 2000, ha starred in Syriana and The  
Brothers Grimm.

I think he is the most beautiful guy!
